THE CAPACIAN

Thomas Leslie, Editor

A PAGE OF OUR LIVES

This year is but a page of our lives. The great book of life has many chapters; each chapter is filled with times of happiness, times of sorrow, times of achievement, times of disappointment the list is endless - extending from childhood to maturity. We can leaf through the past chapters and recall warm memories; but, most important of all, we can review our experiences and learn valuable lessons. These reviews will aid us in passing life's test in the future. Many more chapters are yet to be added. Upon graduation, each Senior will

begin a new one; the underclassmen are rapidly reaching this time also.

This past year is only a small portion of this book, but it is an important portion. To the students, the faculty, and the administration, it has been a year of learning, success, prosperity, and enjoyment. To our foreign exchange students, Josien and Olof, we hope it has been a very enjoyable year; for we have enjoyed having them.

Beyond a doubt, this year has surely marked a page of our lives.

--The Staff

CAPAC COMMUNITY HIGH SCHOOL,

Dedicated 1957

BOARD OF EDUCATION

Mr. Norman Brennan, President

Mr. James Clark, Trustee

Mr. Robert Markwart, Secretary

Mr. Gilbert Parks, Trustee

Mr. Robert Lombardo, Treasurer

Mr. Howard A. Smith, Trustee

Mr. Harvey Dafoe, Trustee

Mr. Richard Steudle
Superintendent of Schools

Mrs. Rollo
Secretary to the Superintendent

Mrs. Bacon
Curriculum Coordinator
and
Mrs. Stefanko
Secretary

Mr. Aubrey Spencer
Principal

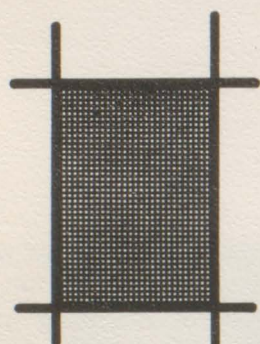

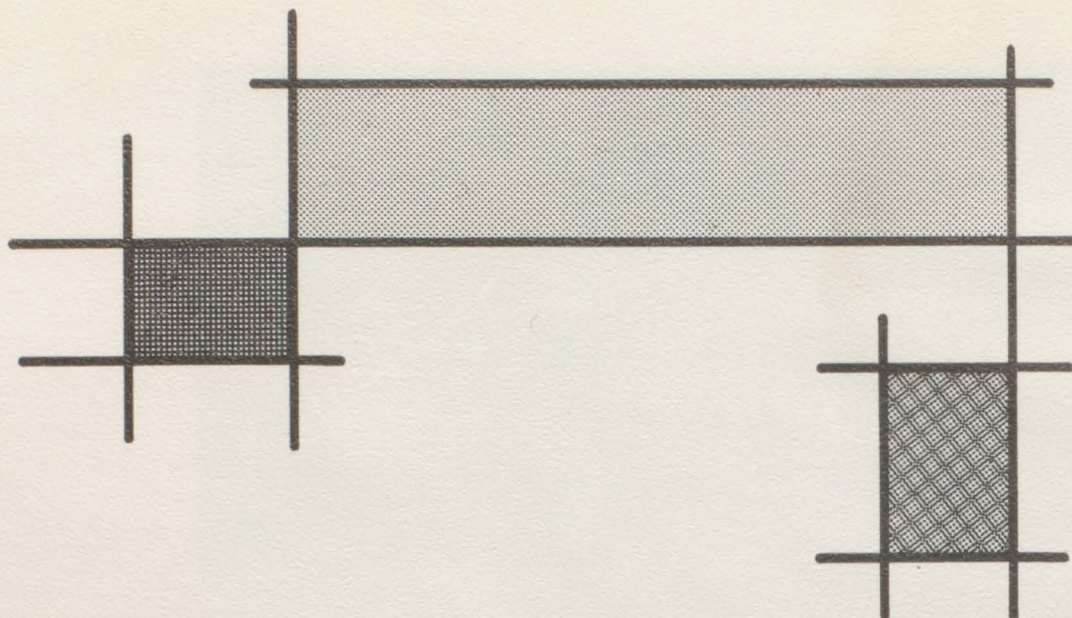

Mrs. Sutherby
Secretary to the Principal

This year marked the first page of my transition from city to country education. I am certain much growth in learning and understanding took place at Capac High by all.

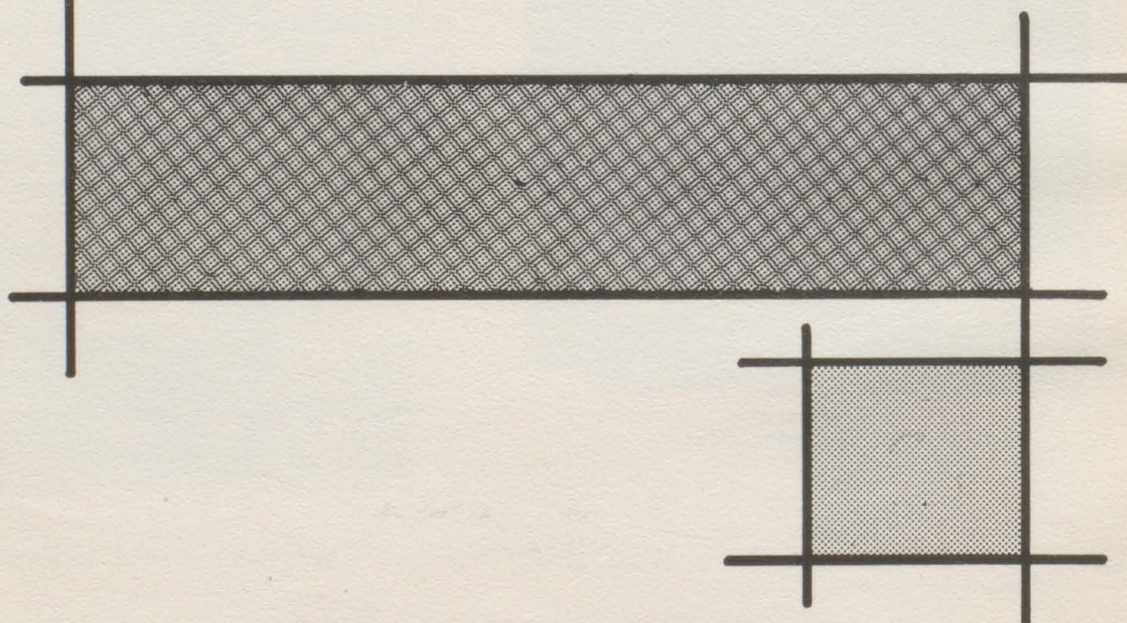

I congratulate the Senior Class for the leadership afforded the rest of us in self-responsibility and many other areas.

I am hopeful that my second page will be equally as rewarding.

Aubrey Spencer

SENIOR CLASS

Terrence Markwart
Secretary

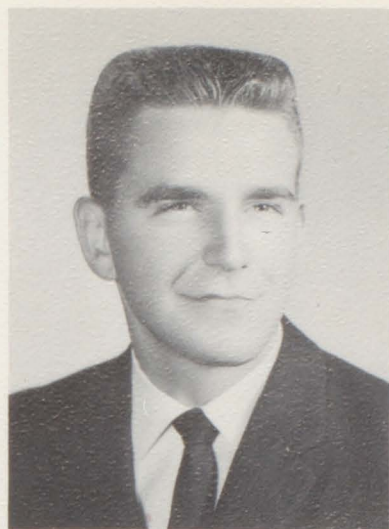

The Senior year was a big chapter in our high school days. We began the year by taking first place with our Homecoming float and won the spirit jug. Reigning as Queen of the Homecoming was Alice Ahler and as honorary Prince and Princess, Olof Halbert and Josien Arens, our two exchange students.

The Seniors' next big activity was the Christmas Ball. Fred Foley and Paula Palmateer reigned as King and Queen of this gala "Winter Wonderland" event.

This class chose the yellow rose as their flower and green and white as their colors. We are now looking forward to a boat cruise for our skip day and a graduation night party at the Motor Inn. The Seniors of '67 had an active, enjoyable, and interesting year.

**WITH THE STEPS OF THE PAST,
WE WILL BUILD
THE STAIRCASE OF THE FUTURE.**

Josien Arens

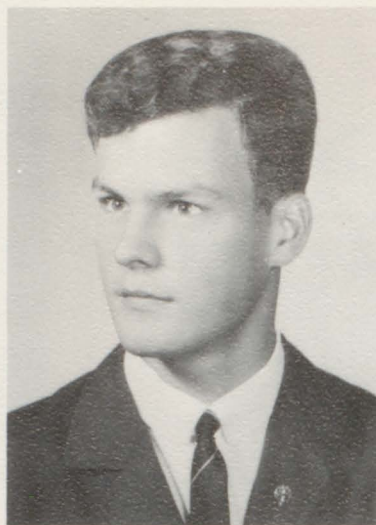

When I asked my parents in October 1965 if I might try out for the exchange student program of the Youth for Understanding I got their consent immediately; a year in the United States and at an American High School would be a wonderful experience for me.

I left quite a few jealous friends, brothers and sisters behind when I finally, with a hundred other Dutch and German exchange students, departed from Amsterdam to the United States.

The time I have spent here so far certainly has gone by too fast. I must say that life here is different from what I had expected, but is certainly is just as good as I had expected. Especially the school life differs entirely from the Dutch schools which I have attended. There also is much more school spirit here, real school spirit is hard to find in a Dutch school community, and I will certainly miss the excitement at our school games and pep rallies once I am back in the Netherlands.

I have learned a lot about America and the Americans by the subjects I am taking at school and my association with my family, teachers, and friends. I am grateful to all of them for the help they gave me during the first time that I was here.

By now I really can say that I love this country and its population and I shall do all I can to make it possible to return someday to Michigan's Water-Wonderland where I have found such a fine and good second home and so many good friends.

Olof Halbert

When I am writing this I've got another 6 months in the "promised land" with, I know, a lot of more wonderful experiences.

The thing I gained more of here in the U.S. was weight. I can also mention better English, lots of really nice friends, and, of course, I learned a lot of basketball! What I liked here in C.H.S. is the very good relations between teacher and pupil. All of the teachers have been very nice and understanding with different problems I've had. My special thanks to Mr. Spencer, the best principal I've ever had. Another thing I like is all the school activities. In Sweden we haven't got anything like this. It helps the pupils to develop further in different ways. The school-spirit of C.H.S. is wonderful. All the kids are coming to see the blue and gold win, and I know that it keeps the players going.

About the U.S. I can say that it's a really great nation, with great people. One can't meet a more friendly people and there are a lot of people who have done a lot for me. This is especially true of my American mother, Mrs. Fischer, who I want to thank officially this way.

I know I'm coming back to the U.S. and hope that I'll meet some of you then, or why not, you can come to see me in Skutskar (Sweden.) Til then, So long!

UNDERCLASSES

Junior Class Officers

Carmen Nemecek	President
Mary Wallace	Vice President
Alice Perez	Secretary
Kay Stroup	Treasurer

The class of 1968 began its year's activities by electing class officers. Then plans for the Homecoming were underway. Our float with the theme "Eve of Destruction" took second place.

As the Christmas holidays drew near, the Juniors were all excited about the Christmas Ball. Julie Markwart and Larry Stegman were chosen to represent our class

at the Ball as Princess and Prince.

The new year brought plans for a busy second semester. The Junior Play was begun and should be ready in March. "Success" is the word for "Cheaper by the Dozen."

The Junior Prom promises fun and hard work for the Juniors. We are hoping that everyone has an exciting time "In the Misty Moonlight."

As we opened this page in our life, the Sophomore Class welcomed Mrs. Leslie, Mr. Temple, and Mr. Montgomery as our class sponsors for the 1966-67 school year. Preparations were then made for the Homecoming parade and shortly after, the magazine sale got underway.

Steve Glombowski and Marilyn Greenia

were chosen as our Prince and Princess to represent our class at the Christmas Ball.

A Freshman Initiation Dance was given to the Freshman class, and in return, they sponsored a Sophomore Appreciation Dance for us.

We are now looking forward for the arrival of our class rings sometime in March.

Freshman Class Officers

Geneal Brooks	President
Nancy Czerepowicz	Vice-President
Danny Holzer	Secretary
Karen Massie	Treasurer

The year 1966-67 has surely marked a page in the lives of the Freshman class, the Class of 1970.

The Freshmen started out the year with the election of class officers and school representatives. We then plunged headlong into selling magazines for the school magazine sale. Our class reached the highest percentage of money on the school quota.

We were very proud when our float, "Wipe Out", won third place in the judging on Homecoming Day.

Christmas proved rather festive as our class chose Kathy Honsinger and Dick Hunter as our Princess and Prince for the annual Christmas Ball.

The Sophomores gave us a Freshman Initiation Dance, and we gratefully repaid with a Sophomore Appreciation Dance.

Our work will continue with the coming of the Spring Carnival and the closing of school for the summer months. Next year we will come back a year older and a grade higher -all ready to fill another page of our lives.

Eighth Grade Class Officers

Diane McCoy	President
Duane Jurn	Vice-President
Bob Lietz	Secretary
Dale Mills	Treasurer

We of the eighth grade started filling out this page in our life very quickly and a great pace. We started by welcoming our class sponsors and by electing new class officers and class representatives.

We were right in the swim of things in the magazine sale, and as the youngest class in the school this year, we did a pretty good job of selling subscriptions.

Who else but the eighth graders would think of having a float on a float for their

entry in the Homecoming activities? No one else probably would have thought of it, but we did. "King of the Road", our entry, turned out to be a lot of fun for everyone involved in making it and everyone who saw it.

Our first semester fun night was a ball, and everybody is looking forward to the one that we'll be having next semester.

In closing this page in our life, we cannot help but think of all the fun we plan and hope to have again next year.

ACTIVITIES

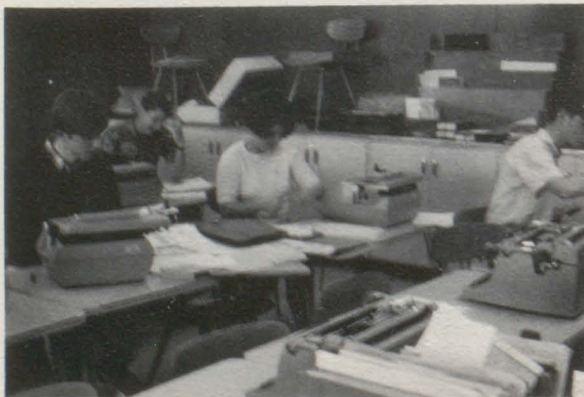

YEARBOOK STAFF

With numerous sighs of relief and a lot of last-minute work, the yearbook staff was able to finish the '67 "book of your life" and put it on its way to the publisher just in time.

A very willing and able staff joined this

year, and with the aid of Mr. Leslie, our sponsors; Tom Leslie, our editor; and Carman Nemecek, our assistant editor; they did a very good job.

STUDENT COUNCIL

Again this year, as usual, the Student Council has been very active in school business. After Gordon Bade, Student Council president, welcomed the new members, the group plunged headlong into work.

The Student Council, as in the past, sponsored two exchange students in the Capac area: Josien Arens from Holland and Olof Halbert from Sweden.

Everyone was very active in the annual magazine sale that the Student Council sponsored, and it again brought in a great deal of money to be spent for scholarships and community betterment projects.

The Student Council has been busy away from home, too. We have taken a very active part in the League Student Council by attending the meetings, sponsoring the meetings in our school, and by sponsoring a League Student Council dance at C.H.S.

Each classroom in the new elementary school will have an American flag thanks to the Student Council which took charge of purchasing these for the school.

We are looking forward to the Spring Carnival with a great deal of anticipation, and we hope will also be a success.

NATIONAL HONOR SOCIETY

The National Honor Society started out the 1966-67 school year with the following new officers: President, Bill Evans; Vice-President, Kay Clark; Secretary, Sherry Stroup; Treasurer, Jan Honsinger; Historian, Lois Boner.

Our club is basically a service club for our school, and our main job is taking tickets at our home basketball and football games.

We also have different poster committees to help improve our school.

Our big event of the year was our spring induction ceremony. It was held on March 2, 1967, in our high school auditorium. This ceremony was to induct our new members in our society for the coming year.

We can say this has been a highly successful year for our society.

FUTURE TEACHERS CLUB

The Future Teachers Club opened this year with 53 members and a new sponsor, Mr. Stewart. The officers elected were: Kay Clark, president; Paula Palmateer, vice-president; Nancy Sanderson, secretary; Camille Eldridge, treasurer; Juliann Markwart, reporter; Jan Honsinger, student council representative; and Glenda Schook, historian. In October Mr. Seeley took us on a tour through Michigan State University.

On December 21, our club gave a Christmas party for the faculty and the alumni. Cadet teaching began with a speech by Dr. Bruce Cheney of M.S.U. In the near future, we are planning another trip to Washington, and a joint meeting with Dryden's Future Teachers Club. At the present, we are attempting to revise our constitution so that in the future all of the business will be taken care of in meetings of officers only.

FUTURE NURSES CLUB

The Future Nurses Club held their first meeting of the year on September 28, 1966. Elections of officers took place with the following positions held; president, Camille Eldridge; vice-president, Debbie Jurn; secretary, Rhonda Ryder; treasurer, Candie Warvie; reporter, Carol Hawks; historian, Sally Feldus; student council representative, Mary Wallace.

Throughout the year we have had a number of speakers. Activities of the club have included such things as working at health clinics and Yale Hospital, the booth at the Spring Carnival, and bake sales.

None of this would be possible if it were not for the help and time our sponsors, Mrs. Carl Lang and Mrs. Kahn, have given us.

FUTURE HOMEMAKERS CLUB

The Future Homemakers of America have had a very successful year. We began our year with the initiation of our new members. We had a hot dog roast in the back of the school. We also had a tobogganing party and afterwards went to Mrs. Parker's house. Our Christmas party was quite a success. We exchanged gifts and played games. We had our candlelight ceremony in which we inducted new members by having each one of

them read one of the purposes of FHA. Many of the girls participated in the joint FFA and FHA Fair this year. We give trophies for the first three top point holders. The trophies are donated by Jim Glombowski. We are having a speaker, Father Joseph Melton, come to speak to us on morals and manners. We are going to make tray favors for the Lapeer Home this Easter again. We still have our State Convention to look forward.

FUTURE FARMERS CLUB

The Future Farmers Club was a very active organization this year. We sold Rat Bait for our rodent control program. This was done to encourage the farmers in the area to control the rodents.

The selling of cider was another money-making project.

To make some money for the chapter we

sold some garden seeds. Each member who sold \$10 worth of seeds would go to a hamburger supper.

The FFA banquet is our next activity. Funks is sponsoring a banquet for Ed Rodzos for two reasons. He was the highest in corn production in Michigan and was also in the Funks project.

STUDENT LIBRARIANS

Again this year, a large number of students were willing to devote their study

hall time to work in the library; thus helping the rest of C.H.S.'s students.

STUDENT PROJECTIONISTS

As with the student librarians, all of these students were happy to join this ser-

vice club to help the rest of the students and teachers of our school.

SCIENCE CLUB

As one of the school's new clubs, we were not too very active this year, but we

are looking forward to more fun and more activities next year and the years to follow.

MUSKETEER'S RIFLE CLUB

As Capac's other new school club, we enjoyed a great deal of fun and activity. So that we could set our sights for a higher

target, such as target shooting at Dock's in Port Huron, we held a very successful pancake supper to earn money.

EIGHTH GRADE BASKETBALL

JUNIOR HIGH PEP BAND

This year a new Junior High Pep Band was organized to help gain spirit at the Junior High basketball games.

We are not too sure about how musical they were, but they surely made a lot of noise.
